Thanks, John.

We'll incorporate your edits and will add my and Kathy's edits post our discussion.

I'll do a careful review before sending to OW.

Thanks for the good discussion today. Couple thoughts on reviewing the docs:

On the briefing doc for FL, put Key Issues first and drop section on Schedule— but you can work the schedule bullets into sections on FL and EPA timelines

Ex. 5 Deliberative Process (DP)

I think Kathy mentioned some other edits as we walked through it this afternoon.

Please carefully review next drafts before sending up the FL and rule briefing papers.

I'll likely be in the air around 11-500p eastern time Thursday.

Thanks!
John

John,

Attached, is the briefing paper for our 404g briefing with Dave this Friday. Also, attached are the workgroups Analytic Blueprint and stakeholder engagement strategy paper for your review. We are not planning on sharing them with Dave on Friday.

Let us know if you have any comments.

Thanks,
